DecoClip

Hang out your washing just like in olden times, but now even more beautifully

At last you can replace all your boring old plastic clothes pegs with carved handicraft, just like the old model. DecoClips is a new series of old-fashioned clothes pegs decorated with hand-made animal heads which quite simply make it more fun to hang out your washing all summer long. Towels, sheets and beachwear all become more beautiful when they are hung up with these lovely clothes pegs.

DecoClips are old-fashioned clothes pegs made of wood and completely free of metal. They are hand-carved and made of solid wood and hand-painted in environmentally friendly and water-resistant paints. The set includes six wild animals from our countryside; mallard, rabbit, frog, owl, fox and badger.
